

Information for all clubs entering junior athletes to rowing events organised by Evesham Rowing Club:

The Event Organising Committee believes that the welfare and wellbeing of all children is paramount. All children, regardless of age, gender, ethnicity, religion or ability, have equal rights to safety and protection.

All suspicions, concerns and allegations of harm will be taken seriously and should be reported without delay to an Evesham Rowing Club volunteer or Event Official, whereupon they will be responded to swiftly and appropriately in accordance with the Event Child Welfare Plan.

In order to effect best management of matters arising in relation to child athletes, all clubs entering junior athletes will be required to provide the name and mobile telephone number of at least one club representative assuming responsibility for these children. These details will be requested at the point of registration on each day of the event, and will not be used for any other purpose.

Further, and in compliance with the spirit of British Rowing Safeguarding and Protecting Children Guidance 11, all participating clubs are required to advise the Organising Committee if parents/carers of any participating child athletes have not consented to images of their child being used in publicity material issued by Evesham Rowing Club.
